The following questions will assist us in expediting your request for pond design assistance:

1. Do you produce agricultural products, including livestock, the gross value of which exceeds \$1,000.00 per year?

_____ Yes _____ No

If yes, what products do you produce:

2. What is the intended use of the pond: _____

3. Do you presently own the site of the proposed pond: _____ Yes _____ No

If no, please explain why you are requesting a pond design for this site. _____

4. Are you planning to sub divide or develop the land surrounding the proposed pond site within the next ten years: _____ Yes _____ No

5. Do you plan to sell or otherwise transfer ownership of the proposed pond, or the land surrounding the proposed pond, within the next ten years: _____ Yes _____ No

6. Do you have a soil conservation plan or have you requested a plan for your farm:
_____Yes _____No

7. I understand that a cash deposit of seven hundred fifty dollars (\$750) will be required at the time the District is ready to survey the proposed pond.

I also understand that the cash deposit will be refunded to me, (without interest) upon completion of the pond provided I complete construction of the pond in accordance with the approved plans within one year from the date that the District approves the design plan.

I further understand that if I fail to complete construction of the pond in accordance with the approved plans within one year time limit as defined above, I will automatically forfeit my deposit.

I verify that the information I have provided on this form is true and accurate; and that I will notify the District of any change in status of the proposed site.
